

## Tahoe Builder Is Sought As Cash Of Church Missing

Between \$3000 and \$5000 Missing From Lake Church Fund

AUBURN—A warrant was issued Tuesday for the arrest of Burton G. Hooper, Kings Beach building contractor and auxiliary deputy sheriff on a charge of grand theft.

Undersheriff Fay Bates said the Kings Beach man is suspected of taking funds which had been advanced to him by Father P. J. O'Neill, pastor of the Catholic Church, for construction of the Our Lake of the Lake Church. Bates said the exact amount is not known but is estimated to be between \$3,000 and \$5,000. Bail has been set at \$20,000.

Hooper was reported missing since December 10.

## Wolverines Again In Winning Streak

BY JOHN FIRPO

The Quincy Trojans held the Tahoe Truckee Wolverines to their lowest scoring efforts this season, but just couldn't get going and came out on the short end of a 45-21 contest.

The game was a very low scoring one which saw the Wolverines leading 9-8 at the first quarter and 19-10 at the half.

Then in the third quarter the Wolverines offense came alive and surged ahead 34-13 and held the still cold Trojans to 3 points that period. The final period saw Quincy make an effortless bid while the Wolverines matched shots and went on to win.

Craig Robinson paced the visiting Wolverines with 18 markers, getting 16 in the last half. Bob Merica and Gary Holbrook shared second place honors with 10 apiece. In the J. V. prelim the Tahoe Truckee "Cubs" dropped a 54-34 game to the Quincy "B" squad. Bill Notley paced the junior Wolverines with 13.

Both squads take the weekend off and return January 9 and 10 to play the Carson City Senators and Winnemucca Buckaroos respectively. Both games will be on the Mountain Men's court and start at 6:45 with the prelims.

## CHRISTMAS PROGRAM PLANNED AT SCHOOL

The Tahoe Truckee High School department of fine arts will present a Christmas program on Thursday, December 18 at 8 p.m. in the school gymnasium. Admission is free of charge. The public is cordially invited to attend.

The theme is "An American Christmas Travelogue." The combined drama, art, and music departments have coordinated their efforts to present an enjoyable program.

## CHRISTMAS CONCERT PLANNED AT LAKE

KINGS BEACH—Next Friday night the choir of the Community Church will present its annual Christmas concert, this year a "Festival of Carols." The program will begin at eight o'clock in the church at Bear and Dollyvarden streets in Kings Beach, and will feature carols from many nations, in addition to arrangements of many of the old favorites, and a carol or two sung by everyone.

Soloists will include Harriet Price, Joy Plunkett, and Earl Langguth. Langguth will also direct. Everyone is cordially invited to attend. A coffee and cookie time will follow.

## BILLY ROSE IS FETED AT BIRTHDAY PARTY

Mr. and Mrs. Zeph Rose entertained at a party Saturday afternoon in honor of the birth date of their son, Billy.

Gifts were opened by the young honoree and entertainment and refreshments in the holiday idea completed a happy day.

## FORMER TRUCKEEITE WILL WED IN NORTH

Mrs. Laurence Frey received an invitation to the wedding of Alan Charles Brunk at Portland Oregon to Miss Kathaleen Sanner on Friday, January 2 in Grace Memorial Church at Portland.

The future benedict is the son of Mr. and Mrs. Charles Brunk, who are former residents of Truckee.

## Vets Representative

A representative from the Nevada County Veterans Service office will be in Truckee on Friday, December 19, between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the office of Justice Fosten W. Wilson, justice court, during the hours indicated.

## Firettes Organize At Meeting; Name Officers For Year

The Truckee Firettes held their organizational meeting Tuesday evening at Cozzi's electing Mrs. Connie Euer as president; Virginia Paddock, vice president; Jane Garwood, secretary; Ernie Solaga, treasurer.

Mesdames Dan Horman, James, Warnke, O.Slate of the Donner Lake fire department auxiliary assisted the members of the newer group. Mrs. William Fordham was chairman of the committee that selected the name, The Truckee Firettes.

Mesdames L. D. Nelson, Kenneth Turner were heard in pleasing vocal duets and Jimmie Chastain was also entertaining with his guitar solos.

Mesdames Robert Tonini, Eve Hallett were hostesses at the affair. Smart's will be the next meeting place on the 8th of January.

## Meeting Tuesday For Games Work

Everyone interested in obtaining employment either at the championships to be held at Squaw Valley in February or at the 1960 Winter Olympic Games in February, 1960, is asked to register with the department of employment at the high school library between 9 a.m. and 5 p.m. Tuesday, December 23rd.

A similar meeting held at Kings Beach this week was not well attended, according to Ralph Pile, manager of the Auburn office of the department of employment. He asked that anyone interested in the numerous categories of work register at Tuesday's session.

Both Robert Seach, personnel director for the Olympics organizing committee and Pile will be on hand to explain the various phases of the work.

It was revealed that some 250 men and women will be required for the February, 1959 championship games and more than 1000 for the Olympics in 1960 and this gathering will determine to what extent the local area can be depended to supply needed personnel.

## THEFT OF TOOLS ON SUMMIT REPORTED

Officers are continuing to investigate the theft last Wednesday morning of \$1000 worth of plumbing tools and equipment from a truck left parked on Donner Summit by Calvin McGee.

McGee, who is employed by Mike Korich of Oroville, had gone into a resort for a short time and when he returned he found the truck had been ransacked. Deputy Sheriff Leo Zander was called to investigate.

## WORLD TRAVELER IS VISITOR IN TRUCKEE

Truckee is often host to unusual and interesting people and the visit this week by J. A. Niels Mulder, a B. A. graduate from the Amsterdam University was no exception.

Mulder, 23, is making a round-the-world walking trip and arrived here from Japan. He has been 11 months on the road thus far and was en route east from Truckee, with a planned visit at Reno.

The traveler plans to return to visit the 1960 Winter Olympics and has applied for a position as an interpreter, being able to speak and understand seven European languages.

The visitor is financing his travels as a free lance journalist and sociographer.

## GIRL SCOUTS SEND CONES TO HOSPITAL

TAHOE CITY—The Girl Scout troop of Mrs. E. R. Meixner of Tahoe City brought in two car loads of pine cones for the DeWitt Hospital patients to make Christmas decorations. The pine cone project was participated in by Joyce Anderson, Julie Anne Bechdolt, Cathy Connors, Alice Calhoun, Alex Cushing, Cheryl Flory, Karen McBride, Kristin Meixner, Stephanie Snyder, Joan Palmer, also helped by Brownies Rae Lee Grann and Karin and Karla Meixner. The cones were delivered in Auburn by Marie Henry who attended a special American Red Cross meeting.

## Low Level Bridge At Emerald Bay Favored In Report

Officials Will Decide On Two Courses Being Presented

Favorable consideration is being given a report submitted yesterday by State Engineer George T. McCoy to the California Highway Commission urging that Route 89 on the west side of Lake Tahoe be realigned from Tallac Creek to Bayview Resort at Emerald Bay in the near future.

Cost of this project is estimated at \$1,000,000 and would eliminate a hazardous section of the route. At the same time McCoy's report urged favorable action on a low-level road and a bridge across Emerald Bay, a project estimated to cost \$4,615,000, but which would provide a year around road.

McCoy's report, which will be given more in detail in next week's issue of the Sierra Sun, said the low level road is advisable as compared to a 1300-foot tunnel along the present course because even though a tunnel were built, it would still not guarantee a year around highway and the cost to construct the two lanes would be higher than the low-level project.

T. F. Bagshaw, chairman of the highway commission, said a meeting with DeWitt Nelson of the department of natural resources and Newton B. Drury of beaches and parks would be held soon to work out details. Officials were optimistic that work can be started soon.

## HIGH SCHOOL ONCE MORE ACCREDITED WITH UNIVERSITY

Tahoe Truckee High School for the seventh consecutive year has been accredited by the University of California. The method used by the University of California in accrediting high schools centers around the following pattern, Principal C. W. Scuitto said:

1. The high school must offer three years of English. Tahoe Truckee requires four years.
2. Three years of social studies. Tahoe Truckee requires four years.
3. Three years of foreign language. Tahoe Truckee offers three years of French, Latin, and Spanish.
4. A year of laboratory science. Tahoe Truckee offers physics and chemistry to meet this requirement.
5. Three years of mathematics namely, algebra and geometry. Tahoe Truckee offers the aforementioned subjects, plus advanced algebra and trigonometry.

For those interested and capable of going farther in this field, a course in calculus may be taken by correspondence from the University of California under the supervision of a local teacher.

Along with these offerings, the other requirement for accreditation is that the students must maintain a "C" average while in regular attendance at the university. Presently there are six students in attendance at the University of California.

## ALAMEDA MAN DIES ON DONNER SUMMIT

The body of Fred Allen Eberlein, 66, of Alameda, who expired following a heart attack on Donner Summit Friday afternoon, was shipped to Oakland by the Truckee Colonial Mortuary. Eberlein was driving on the highway when stricken and a passenger in the car escaped injury when the vehicle crashed into a rock.

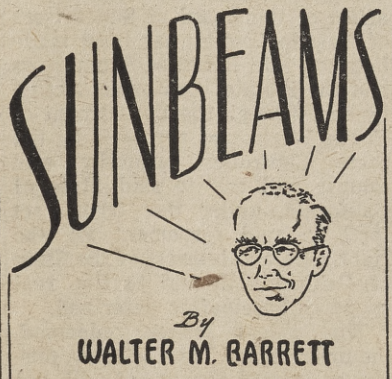

## BIRTHDAY PARTY

George, son of Mr. and Mrs. F. Franceschini who was eight years old December 15 was feted at a party, given by his parents on Saturday. Games, gifts, favors and refreshments were enjoyed by a group of his small friends.

## NEW POLICY

Paul A. Doyle, manager of the Western Union office, said that inbound and outbound money orders with the concern will be handled at the Southern Pacific depot in Truckee, effective December 15.

Back At Tahoe—Mrs. Carl Bechdolt Sr., returned to Tahoe City Monday evening after a business trip to San Francisco.

There are only five more shopping days until Christmas and we know that most of you still have gifts to buy and purchases to complete before the holiday. Why not take that list to the local merchants—the people who make your community possible—and find out how much more convenient and how economical it is to patronize a neighbor. The stores at Truckee and Tahoe are well prepared to take care of your every need.

During the next two weeks more than usual caution on the highways should be used by vehicle drivers. The open roads, coupled with nice weather and the holiday spirit, are likely to result in tragedy unless everyone recognizes the dangers and drives carefully. We can keep the good record being established in our area if we all obey the traffic laws.

## Traffic Decline Is Noted In Report

Another drop in traffic—this a rather sharp decline—was recorded for the month of November by the department of agriculture's quarantine station in Truckee. At the same time, the figure was well over November, 1957 and Truckee was still in third place as a port of entry among the 17 reporting stations.

The total of 35,931 trucks and 680 buses with 98,327 passengers, were checked at the local station last month compared to 28,775 cars, 3,651 trucks and 619 buses registered in November, 1957 and 61,739 cars during October of this year.

The only stations exceeding Truckee were Winterhaven and Yermo.

The Meyers Station on Highway 50 reported 11,080 cars, 480 trucks and 40 buses with 28,641 passengers last month, a decline of about 6,000 cars compared to October but an increase of 4,000 compared to November, 1957.

## Odd Fellows Meet To Reorganize Here

Approximately 150 members of the Odd Fellows Lodge attended the reorganization meeting of Donner Lodge No. 162 here Sunday afternoon when 15 candidates were initiated into the order at impressive rites.

It was decided to hold regular meetings starting in January on the first and third Tuesday of each month.

Charles Vind was installed as the new noble grand of the local lodge and F. W. Wilson as the new secretary.

Following the ceremonies attended by delegates from Sacramento, Stockton, Reno and other cities, members of the Rebekah Lodge served refreshments.

Donald R. Smith of Stockton, grand master of the lodge of California was in charge of the reorganization program.

## LAST RITES HELD FOR MICHAEL J. STOLEE

Funeral services were held Sunday afternoon at the Truckee Colonial Mortuary chapel for Michael J. Stolee, 53, a well known Truckee resident and culinary worker, who expired Thursday morning following a brief illness. Burial was in the Truckee cemetery. Rev. J. A. Taylor presided at the services.

Pall bearers were John Richards, Geno Giovannoni, John Elliot, Ernie Neichen, Harvey Bettin and Pete Larrari.

Stolee was a native of Canada, born April 16, 1905. He is survived by a brother, H. C. Stolee of West Los Angeles.

## Co-Host Dinner

The Meadow Park home of Mr. and Mrs. Lauren Russell was the setting Sunday evening for a co-host dinner, an annual, pre-Christmas party for a group of friends.

## Fued Results As Nevada Fund For Games In Dispute

Meeting Saturday To Air Opinions On Money For Olympics

A check in the sum of \$200,000 which was voted by the Nevada state legislature as a contribution for staging the 1960 Winter Olympic Games at Squaw Valley, is creating no little controversy in the neighboring state as pros and cons are lashed about verbally.

The money was voted to assist in preparation for the games and a check for the sum allocated was made out to the California Olympic Commission.

A public meeting of the Nevada Olympic Commission has been called for Saturday and indications are that the session will be a heated one as various interests and opinions are expressed.

Although the check was drawn to the California agency and presented to Chairman E. J. Questa, the latter said Sunday that Nevada's share in staging the games has not been committed, despite reports to the contrary. Questa is reported to have received the check payable to the California Olympic Commission on December 3 in Carson City.

Charles R. Blyth, chairman of the California commission said the check has not been received but that it was his understanding the \$200,000 was to be used to finance construction of an athletes' center at the Olympic village.

The meeting Saturday is designed to determine how best to spend the money before forwarding the check to the California agency.

Many Reno skiers wished to see the money spent in Nevada. Differences of opinion have been expressed widely and the turmoil promises to be no less than some of the difficulties experienced by the California officials in promoting the games preparation.

## AVALANCHE SCHOOL BEING CONDUCTED AT RESERVATIONS

Fort Ord and Hunter Liggett Military Reservation were this week, December 17 and 18, the scene of training for war against an enemy close to home, the snow avalanche. Sixth Army instructors will put a team of Forest Service Olympic Winter Games avalanche busters through their paces with the 105 mm recoilless rifle.

Members of the party from Squaw Valley are Willy Schaffler, ski events technical director; Dick Stillman, Nelson Bennett and Craig Rollins of the games snow safety team; Monty Atwater, forest service technical advisor on avalanche problems. It is these men, Tahoe Forest Supervisor Henry Branagh noted, who will have the task of providing avalanche protection for the contestants, officials and spectators at the VIII Olympic Winter Games. Through the cooperation of Sixth Army they will have the best in weapons.

The 75 mm recoilless rifles are already standard in avalanche control. Supervisor Branagh pointed out. Two of these weapons of Korean war fame were brought to Squaw Valley last winter through joint efforts of the forest service and the Sixth Army. In range, accuracy, and mobility, avalanche busters found them to be ideal.

For this winter at least, use of the 105's will be experimental, to see if their greater range and power counter balances their lack of mobility.

## ROSE BOWL PARADE FLOAT IS PROPOSED

AUBURN—A Rose Bowl parade float to advertise Lake Tahoe and the 1960 Winter Olympics in near-by Squaw Valley has been proposed for the 1960 parade by the Lake Tahoe Sierra Chamber of Commerce.

Robert J. McMahon, chamber president, last night reported his organization is planning to place an entry in the Tournament of Roses parade in Pasadena on January 1, 1960.

"All we need is \$10,000" he declared. "We will probably get from \$5,000 to \$6,000 from the Lake Tahoe area. We will need another \$4,000 from the rest of Placer county."

McMahon outlined the plans to the Placer County Chamber of Commerce at its bimonthly dinner meeting in the Auburn Hotel.

## Christmas Party For Children Slated At Truckee and Tahoe

The annual Christmas party sponsored by the Sacramento Bee and KFBK radio station in cooperation with Mr. and Mrs. Jack Neugebauer of the Donner Theater will be held at the theater next Tuesday, December 23rd at 1 p.m.

Santa Claus will greet the youngsters at the door and present each with a bag of candy as they leave.

Neugebauer said there will be approximately one hour and 40 minutes of free movies, selected especially for the children, including a 29-minute film on Lapland, showing the colorful life of the people and reindeer in that country. Cartoons and short features will provide the balance of the entertainment.

Last year 300 local children attended the free Bee show and more than that are expected this year.

Immediately following the Truckee show, Santa and his crew will move to the Brockway Theater at Kings Beach to provide the same entertainment for the children of North Tahoe at 7 p.m. in the evening.

All the children of the area are invited to the shows.

## Youth, Woman Are Fined In Beer Case

Local officers are cracking down on the use of alcoholic beverages by teen agers and as a result an 18 year old Truckee youth was fined \$263 by Judge F. W. Wilson this week on a drunk driving charge and Estelle Pribble, 37, also of Truckee was given a \$100 suspended fine for providing beer to Richard Robey and a 15 year old juvenile.

Robey and the younger boy were arrested last week by Deputies Sheriff Leo Zander and Emery Lander, who reported the boys had consumed 10 cans of beer while attending the theater.

Later, the officers said, they drove down the alley back of the main street at a high rate of speed and were apprehended near Bridge street and Highway 40.

Mrs. Pribble, a relative of one of the boys, was arrested the following day on a complaint by Lander when it was reported the beer had been purchased by her. Mrs. Pribble said she did not give the beer to the boys but had simply left it in the car from which it was taken by the two.

The 15 year old boy was certified to the juvenile court.

Officers said the use of intoxicants by youngsters will not be tolerated and that they will be especially alert against continued practice of this kind.

## ACTOR INJURED AT SQUAW LOCATION

Television Actor Richard Boone suffered a painful injury on location at Squaw Valley near here when he drove a 14-inch splinter into his foot Friday.

Dr. L. D. Nelson of Tahoe Forest Hospital treated the actor. He said the splinter pierced Boone's large toe completely and entered the sole of his foot.

## BOARD WILL STUDY BUILDING PROJECTS

NEVADA CITY—A financial analysis of the county's proposed building program, both in Truckee and in the vicinity of the present courthouse, is on the agenda for meeting of the Board of Supervisors.

Clerk John T. Trauner disclosed that a Mr. Burnett of the firm of Stone and Youngbergs, financial advisors, is to talk to the supervisors at 2 p.m. about the program recommended by the county grand jury's building committee.

Also slated for the Thursday session is a report on county hospital practices requested by Mrs. Florence Buxton, county grand jury member, a canvass of the San Juan Ridge and French Corral water district voting and an appearance by Mrs. Nellie Uhrig, newly appointed county public guardian.

Two supervisors now reportedly hospitalized are not expected to be present. They are Tabe Bishop and Guy Robinson, the latter hurt in a fall from a horse.

## BUY LOCALLY FOR CHRISTMAS

## Marine Officer Is Suicide Victim; No Motive Found

Young Officer Dies After Shooting Self Here On Highway

BULLETIN

Without regaining consciousness, Capt. John C. Fite, 30, expired Tuesday afternoon in a Reno hospital where he was rushed for specialized treatment for a bullet wound in his head. Officers are still unable to determine what led up to the apparent suicide. There were approximately 30 silver dollars in the victim's pockets.

Captain John C. Fite, 30, stationed with the U. S. Marine Corps at San Jose and a veteran of the Korean campaign, is in the Veterans Hospital at Reno with a gun shot wound through his head which was self inflicted in Truckee at 7:20 a.m. Tuesday, officers reported.

The shooting occurred on Highway 40 almost directly in front of the James McIver home.

According to Deputy Sheriff Robert Schooley, who with State Patrolman Martin Sturcke, made the investigation, said the officer apparently parked his car off the highway and sat in the parked 1958 model car for some 15 minutes before firing the shot from a P38 calibre automatic through his head.

The hood of the car had been raised and Fite had stepped out of the car on the right side. He was alone and no reason for the attempted suicide could be learned immediately.

Schooley learned that Fite held a prominent position in the corps and was regarded highly by fellow officers. His wife and family reside at San Mateo. Although a search was made of the contents of the car, nothing that would shed light on the tragedy was revealed. Tennis rackets and other sporting equipment were found in the car, indicating the nature of the victim.

Officers surmise the young officer had been in Reno as the car had been going west.

After treatment at the Tahoe Forest Hospital where Fite's condition was described as critical, he was moved to Reno.

## Gateway Sewer Details Complete

The board of directors of the Truckee Sanitary District completed all outstanding items in connection with the Gateway sewer project at a meeting last week.

The signed warrant in a sum in excess of \$50,000 was forwarded to L. H. Easterling Company of San Francisco. They will contact the property owners and indicate the money due on the sewer project, and also explain the various options available for handling the cost of the project.

Russell Ludwig, engineer for the district, explained that the options would be for payment in full, let the full amount go to bond at 6 percent for nine years, or pay a portion of the assessment cost, and let the balance go to bond. He stated that this matter will be handled by Easterling Company, and should be completed within the next three weeks.

## TWO INJURY MISHAPS REPORTED ON ROADS

Two injury accidents were reported this week by the California Highway Patrol.

Saturday morning at 12:15 a car driven by Miguel Campos, Truckee employee for the Southern Pacific Company ran off the detour east of Hirschdale injuring Flavio Moreno, 44, also of Truckee. Campos said he was blinded by oncoming lights and lost control of his car. He was cited for speeding and not having his vehicle under control.

Rodney Zichovich, 48, and Joseph Castello, 40, both of San Martin, were injured when a car driven by the former got out of control near Hirschdale and plunged down an embankment Friday at 9:55 p.m. Officers said the car apparently skidded on a curve while going east. The driver was cited for speeding and being on the wrong side of the highway. Neither was badly hurt.

## NEVADA, PLACER ARE AGAIN RABIES AREA

Twenty-five counties have again been declared rabies areas for another year, according to Dr. Malcolm H. Merrill, state health director.

Redeclarations are issued in counties where a case of animal rabies has been reported during the 12-month declaration period. Upon such designation the law requires the vaccination and licensing of all dogs over four months old.

The affected counties include El Dorado, Nevada, Placer, Sutter and Yuba.

### AGREEMENT

**NOTICE OF AGREEMENT TO  
PURCHASE PROPERTY DEED-  
ED TO THE STATE FOR  
DELINQUENT TAXES**

NOTICE IS HEREBY GIVEN in  
accordance with the provisions of  
Division 1, Part 6, Chapter 8 of the  
Revenue and Taxation Code and  
the written authorization of the  
State Controller that an agreement,  
a copy of which is on file in the  
office of the Board of Supervisors  
of Nevada County, has been made  
between said Board of Supervisors  
and the State of California, Acting  
by and through the Department of  
Public Works and approved by the  
State Controller, whereby said  
County will sell to said State of  
California, under the terms set  
forth in said agreement all the  
right, title and interest of the State  
of California in and to the real  
property hereinafter described.

That unless sooner redeemed,  
the undersigned Tax Collector, pur-  
suance to said agreement will, not  
less than 21 days after the first  
publication of the mailing of this  
notice as required by law, which-  
ever is later, sell said property to  
the State of California.

That upon the sale of the prop-  
erty the right of redemption will  
cease. For information as to the  
amount necessary to redeem apply  
to John T. Trauner, Redemption  
Officer of Nevada County in the  
Court House in Nevada City, Cali-  
fornia.

The property referred to and  
contained in said agreement is sit-  
uated in the County of Nevada,  
Truckee, State of California, and  
is substantially described as fol-  
lows:

In Donner Camp, Bucknam Tract,  
Lot 3 Blk 199—Last assessed to  
Bessie Goodfellow.

In Donner Camp, Bucknam  
Tract, Lots 9 and 10, Block 211—  
Last assessed to L. G. McGlashan.  
Dated: At Nevada City, Califor-  
nia, this 4th day of December,  
1958.

**ELMA HECKER,**  
Tax Collector, of the County  
of Nevada, State of Califor-  
nia.

First Publication, December 4th,

1958.

Second Publication, December

11th, 1958.

Third and Last Publication, De-

cember 18th, 1958.

DEED TO THE STATE  
FOR DELINQUENT TAXES**

Dated December 4th, 1958

Whereas, I was on the 3rd. day  
of November, 1958, directed by  
the Board of Supervisors of Nevada  
County, State of California, and  
there was received by me and  
filed in my office an authorization  
of the State Controller (dated No-  
vember 14th, 1958) to sell at public  
auction, for cash in lawful money  
of the United States, certain tax  
deeded property, public notice is  
hereby given that unless the said  
property is redeemed or an install-  
ment plan of redemption is in-  
stituted, as provided by law, I will  
on the 6th day of January, 1959,  
at the hour of 10 o'clock a.m. in  
the Tax Collector's Office in the  
Court House of the county of Neva-  
da, in the City of Nevada, sell as  
directed the said property for a  
sum not less than the minimum

price set forth in this notice.

The parcel or parcels of property  
that are the subject of this notice  
are situated in the County of Ne-  
vada, State of California, and are  
described as follows:

Donner Lake Co's Lakeview  
Subd. Lot 1 Blk 9.

Last assessed: Kate A. Warren  
Minimum Price \$348.00

If redemption of the property  
is not made according to law be-  
fore the first bid is received, the  
right of redemption will cease.

### BILLIONTH DOLLAR OF FOREST FUNDS REACHES TREASURY

The billionth dollar in national  
forest receipts is expected to be  
deposited in the federal treasury  
this week. The office of the sec-  
retary of the U. S. Department of  
Agriculture informed Forest Super-  
visor Henry E. Branagh of the Ta-  
hoe National Forest a few days ago.

This billionth dollar is the cumu-  
lative cash income of the U. S. For-  
est Service since its creation in  
1905. The Tahoe National Forest  
total collection equals 10 million  
dollars for the same period.

At the rate of present income,  
it is expected that the second bil-  
lionth dollar will be collected with-  
in the next ten years. This stepped-  
up cash income is due to increased  
accessibility of national forest and  
an increase in lumber demands to  
meet the ever-growing and expand-  
ing United States of America.

However much is produced by  
the national forest in cash income,  
that is only a small part of the  
yield to the general public from this  
great publicly-owned natural  
resource.

All national forest lands are  
watershed lands producing in-  
calculable wealth in good, clean  
water due to the stability of the  
soil, which results from the careful  
use and management of the land.

Then there is the spiritual and  
esthetic values of the vast moun-  
tain areas, outdoor recreation for  
fisherman, hunter and family cam-  
pers. Natural habitat for all types  
of wildlife, yield great values  
which cannot be measured in the  
terms of dollars and cents.

How does one measure monetarily  
the value of a quiet forest to nerves  
high strung by the pressures of city  
life? What is the price of a well  
kept watershed when water is  
worth whatever you have to pay  
for it? How much your many  
splendid mountains?

Supervisor Branagh points out  
that it took 53 years to produce the  
first billionth dollar. Total operat-  
ing cost for the same period were  
some 2½ times that amount. The  
pattern of collections and expendi-  
tures on the Tahoe Forest is about  
the same as for the national pic-  
ture. So, to date the books do not  
balance from a cold cash stand-  
point; but the picture has changed.

For the past several years the cash  
income has exceeded the expendi-  
tures. In 1957, receipts exceeded  
operating expenses by \$32,292.00.  
Every indication points to this  
favorable balance to continue.

"It's like having your cake and  
eating it too", Branagh said. "cash

price set forth in this notice.

The parcel or parcels of property  
that are the subject of this notice  
are situated in the County of Ne-  
vada, State of California, and are  
described as follows:

Donner Lake Co's Lakeview  
Subd. Lot 1 Blk 9.

Last assessed: Kate A. Warren  
Minimum Price \$348.00

cember 25th, 1958. D11-18-25

surplus together with all the in-  
tangible values of healthy water-  
sheds, recreation, summer grazing,  
mining, scenery etc."

And, better still, is the fact that  
under the "Receipts to States"  
Act, 25 per cent of the forest ser-  
vice income is return to the states  
in which the forest is located. The  
state then divides this money  
among the counties having na-  
tional forests in their boundaries in

proportion to the county lands  
therein. An additional 10 per cent  
of the receipts is returning to the  
Forest Service to be spent on for-  
est roads and trails within the na-  
tional forest.

"The national forests have stood  
the test of time", Branagh con-  
cluded, "and I'm sure that the  
general public agrees that these  
forests are one of the finest in-  
vestments this nation ever made."

**NEW PROMOTIONAL STAMP ADVERTISES LAKE TAHOE AREA**

TAHOE CITY—In a promotional endeavor destined to publicize Lake Tahoe to the entire world, and to identify it synonymously with the forthcoming VIII Olympic Winter Games, a souvenir stamp went on sale all around Lake Tahoe and its environs on November 26. The stamp, which is not good for U.S. postage, is a result of negotiations between the Lake Tahoe-Sierra Chamber of Commerce and the organization committee of the VIII Olympic Winter Games, with other lake-wide civic, service and fraternal groups co-operating. The stamp, which is reproduced

on this page in black and white, is beautifully engraved in three colors—blue, black and silver on a background of gleaming white. The pictorial sketch depicting the lake and mountains was donated to the Lake Tahoe-Sierra Chamber of Commerce by Bev Brooks of The Brooks Sign Company of Kings Beach. Immediately underneath the design is the wording: "Home of the VIII Olympic Winter Games-1960." The official insignia of the five rings, which denotes the five continents to be represented in participation, is copyrighted by the International Olympic Commission and exclusive permission has been granted to the Lake Tahoe-Sierra Chamber of Commerce in connection with this stamp. Robert J. McMahon, President of the lake-wide Chamber, states that, in his opinion, this will do much to make our area known to thousands of people throughout the entire world. He urges all business and private mailers to purchase the stamps in quantity and to use them on each and every letter that they send out. "The richness and conservativeness of the attractive design will enhance the

**COMMISSION GIVES APPROVAL TO PLAN**

AUBURN—A proposed 250 unit community apartment house development near Tahoe City, Lake Tahoe, has been given a preliminary green light by the county planning commission. Commissioners oked the rezoning of seven and one half acres of residential land to multiple use for a site for the development. The rezoning application now will go to the board of supervisors for action. The site is about one half mile northeast of Tahoe City between State Route 89 and the lake. Attorney Robert M. Rigney of Berkeley, who identified himself as the developer of the housing program, indicated the cost would be around \$2,000,000. He said preliminary plans call for structures each containing 50

**54 ACRES SOLD NEAR LAKE TAHOE FOR \$134,500**

AUBURN—A 54 acre parcel of land near Lake Forest, Lake Tahoe, has been sold for an indicated \$134,500. A grant deed filed in the county recorder's office lists the sellers as Mr. and Mrs. Harvey E. Blackwell and Rosa La Porte. Buyers named, each with a one third interest, are Mr. and Mrs. Charles Sherman and Virginia G. Kiser Morrow. The San Francisco Bay Area, strategically centered on the Pacific Coast, is the heart of the great productive Central Empire of California. Almost all of California's quick-silver mines are located in the Coast Ranges between Lake and Santa Barbara Counties.

most fastidious of personal correspondence," McMahon said. "We hope that all business mailers will affix one of these attractive stamps to the flap of their envelopes, and we also urge the public to use them as Christmas seals on all of their packages, as well as the early mailing of overseas parcels to the armed forces." McMahon stated that he was grateful to all of the organizations around the lake who were co-operating in the sale of the stamps. "Several commercial artists who have seen the stamp have stated that, in their opinion, it was one of the most beautiful designs of its kind," McMahon concluded.

to 60 apartments. The buildings would not exceed eight stories in height, he said, and probably would be five or six stories high. Rigney said the apartments would be sold to individual owners who would provide for maintenance and upkeep of the buildings and ground through an owners' organization. He indicated the development would include a restaurant bar, swimming pool, tennis courts and a private boat pier. He states any commercial activities would be developed primarily for use by the apartment occupants.

**WHAT'S DOING**  
E. J. Bean, your Telephone Manager in Truckee-Tahoe.

Wherever your voice goes, telephone patrols keep a careful watch over the lines that carry your calls. And here you see a sky patrol in action. Every day the pilot or his partner check 350 miles of cable, most of it underground. They're on the lookout for landslides or construction work that could cause trouble. By using a loudspeaker on the plane, or by dropping notes, they can warn anyone working near a hidden cable. Time and again, cable patrols have headed off costly damage. And they've helped make your telephone service more dependable than ever.

Remember our contest to find out about memorable long distance calls? Well, lots of people wrote in and told about their interesting experiences with long distance. For instance, one of the two winning letters was from Mrs. D. D. Bracken, 3499 Bryant Street, Palo Alto (above with Telephone Manager R. R. Maloney): "Several years ago my husband and I drove to Fort Wayne to visit our daughter who was living in the suburbs there. Then we lived closer to her but still about 5 hours away. When we got home, we were very tired . . . About 2 a.m. a long distance call came from our daughter, hysterically telling us that they couldn't find "Bobbie," their 2-year-old son. As I tearfully tried to give her hope, my husband went to the car. He fairly flew back with "Bobbie" in his arms. He had found the little fellow hidden on the floor in the rear seat of the car. Bobbie sleepily cooed "Mommie, Mommie," into the phone and my daughter just about fainted at the other end of the line. How he ever managed to get into the car, we'll never understand!" Pacific Telephone

#### SAFETY HINTS FOR CHRISTMAS

1. Do not hang metal foil icicles over wires or tree lights.
2. Be sure the snow around the tree will not burn.
3. Don't use lighted candles on a Christmas tree.
4. Keep candles away from the tree or other decorative candles.
5. Place tree well away from fireplace or other location where it is exposed to sparks or strong heat.
6. Don't attach too many light strings to one outlet, and be sure insulation is not worn or sockets loose. A blown fuse is a signal of a dangerous overload. Be sure fuses are right size, never use a penny in a fuse box.
7. Keep tree in water from the time you bring it home. Make fresh

saw cuts across the trunk base before setting up. Remove dry tree from premises immediately after the holidays.

8. Use flame-resistant icicles and tinsels.
9. Keep a wastebasket handy for disposal of gift wrappings and other tissues.
10. Don't leave lights burning when no one is in the house. From time to time inspect the tree and see whether any of the needles near the lights have started to turn brown. If so, change the positions of the lights. When the needles start falling, take the tree down and discard it outdoors.

Your Christmas tree is very combustible. Being filled with pitch and resin, it ignites easily and burns furiously. Care and caution are necessary to keep your Christmas safe and Merry.

#### MAN MISSING

KINGS BEACH—Bert G. Hooper, 60-year-old building contractor, has been missing from his home here since December 10, his wife has reported to the Auburn county

sheriff's office. Undersheriff Fay Bates said Hooper, besides his contracting interests, serves as an unpaid auxiliary sheriff's deputy.

Pre-school and elementary grades, 11 a.m.  
Morning worship, 11 a.m.  
The annual Church School Christ-

mas program will be presented Sunday evening at 7. The public is invited.

Christmas is more than just a day of giving and receiving gifts. It is more than trees and holly. It is more than church services and carols. Christmas is the memory of things past, the awareness of things present, and the hope of the future. Pastor Taylor will discuss the meaning of this season in Sunday's sermon entitled: "Christmas: yesterday, today, and tomorrow." A communion service will be held Christmas Eve at 7:30 p.m. This short, but impressive, service will give a deeper sense of meaning to the Christmas season and Christmas day. All, regardless of denominational preference, are encouraged to attend.

**CHRISTIAN SCIENCE**  
"Is the Universe, Including Man, Enveloped by Atomic Force?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

Matthew's account of the coming of the Magi to Bethlehem at the time of the nativity of Christ Jesus will be among the Bible readings. Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this: "The divine origin of Jesus gave him more than human power to expound the facts of creation, and demonstrate the one Mind which makes and governs man and the universe" (539:27-30). The Golden Text is from Psalms (86:9,10): "All nations whom thou hast made shall come and worship before thee, O Lord; and shall glorify thy name. For thou art great, and doest wondrous things: thou art God alone."

**TRUCKEE BIBLE CHURCH**  
(Non-denominational)  
Roy S. Rhoades, Pastor  
Sunday school, 10 a.m.

Power hour, Wednesday evening, 7:30.  
The young people of the church and their friends are planning to gather Saturday evening at 7 to

## VETERANS TREATED TO BINGO PARTY

KINGS BEACH—Veterans Hospital Chairman Ethel Antonson of the Ladies Auxiliary to the V.F.W. Post, No. 7077, Lake Tahoe, reports a bingo party for the entertainment of the 165 patients in V.A. Hospital in Reno was given Thursday evening, December 11.

Members of the auxiliary distributed cards to the bed-ridden patients and checked each card after each game. Four games were played and 12 prizes were awarded the winners. Cigars and cigarettes, donated by the Crystal Bay Club were distributed. Refreshments were served following the bingo game.

Lou Hunt of the V. A. Hospital, expressed his thanks in behalf of the patients to Gene Faulkner, Gene Antonson and Ray Plunkett in whose behalf a special bingo party will be given in their name. A special thank you to the Crystal Bay Club and to 10 members who put on the party. Those attending were: Ethel Antonson, Vera Woods, Ann McCoskey, Nola Elliott, Bea Snell, Pearl Martin, Sophie Levra, Unadeel Crawford, Peg Nelson, Pearl Moore and Mary Dunklee, V.F.W. Auxiliary department hospital chairman, Reno.

## TWO MORE UNITS TO ROTATE TO EUROPE

The department of the army has announced that two more units will soon be rotated to Europe as replacements for two units that will soon return to the U. S.

The units to be rotated to Europe are the 1st Battle Group, 7th Infantry Division (Replacement Packet), of Fort Benning, Georgia, and the 1st Howitzer Battalion, 36th Artillery (Replacement Packet), of Fort Sill, Oklahoma.

The army has authorized the recruiting service to enlist a limited number of men who are qualified, physically and mentally, for a guaranteed assignment to elements of one of the above units. In order to be considered for assignment of one of these units, a man must be completely processed and enlisted no later than November 28th for the artillery replacement unit and December 12th for the infantry replacement unit.

Men who are interested in one of these rotation units, may have more information, without obligation, by contacting the U. S. Army Recruiter located at The City Hall, Reno, Phone Fairview 2-4144.

go Christmas carolling. "Gold, Frankincense and Myrrh" is the title of Pastor Rhoades' sermon next Lord's Day. There is much talk of the true meaning of Christmas being lost; what deep spiritual meaning is to be found in these three words? The ministry of music will include the traditional vocal solo "Birthday of the King" to be rendered by Mrs. Rhoades and accompanied on the piano by Mrs. William Englehart, Jr.

At the 7:30 hour the Christmas play, "The First Christmas Carol," will be presented.

## TRUCKEE PUBLIC BOARD MEETINGS

Truckee Public Utility District Meets second and last Thursday of each month at 9:30 a.m. in the district's office.

Truckee Sanitary District Meets first Tuesday at 7:30 p.m. at Justice Court offices.

Tahoe Forest Hospital District Meets second Friday each month at 7 p.m. at the hospital.

Truckee Fire District Meets first Tuesday each month at 10 a.m.

Truckee Cemetery District Meets at call of Chairman W. M. Englehart, Sr.

## WALNUTS SUBJECT OF ROTARY MEET

TAHOE CITY—Gordon Moyer, a member of Tahoe City Rotary Club supplied the entertainment at the December 9 dinner meeting at Tahoe Inn.

A former walnut grower in Yuba County, Moyer briefed the 32 members and one visitor on the history of the walnut and told of advancements in processing.

A native of China and Persia, the walnut was brought to the United States in 1882 and was grown in southern California but housing projects in that area gradually forced out the orchards and the industry has been moving north until the Yuba County area is now the largest producing area of California which produces 95 percent of the walnuts grown. Oregon and Washington grows the other 5 percent, Moyer said.

The walnut industry has come a long way in development of larger nuts and in processing since

## Letter to the Editor

Serria Sun:  
Hope Assembly, Order of the Rainbow for Girls, of Truckee, would like to thank you for publishing the news about our fashion show and luncheon. It was greatly appreciated.

Sincerely yours,  
Miss Kaytie Corbin,  
Advertising

California's State, district and county fairs attracted more than seven million visitors in 1957.

1882 although the tree is slow in producing, taking from 10 to 15 years, Moyer said. The two World Wars with a shortage of labor hastened mechanized harvesting and processing until the walnut meat, like other edibles being prepared for the market is seldom touched by hands. Martin Spitsen presided at the meeting.

## DONNER SUMMIT NEWS

BY DONNA POWER

### NO SNOW

The big topic on the hill this week is no snow. With the approaching of the Christmas holidays residents are scorning the warmth of the sun. Business owners are ready and waiting for the winter sports fans who do not come. The weather forecasters tell of record breaking snow fall in many areas while we are experiencing a record breaking no snow.

### HEART ATTACK

Fred A. Eberlein of Alameda suffered a heart attack at 3:30 Friday and died at the wheel of his car while traveling East on highway 40 near Soda Springs. He was journeying with a companion who was uninjured when the auto left the roadway and hit a stone embankment. The two were enroute to Truckee where they expected to visit friends and later go on to Reno.

### SEWING CLUB

Elizabeth Koester was hostess in her Soda Springs home to the girls sewing club on Thursday afternoon. Elizabeth is constructing a Christmas surprise for her mother. Also present at the meeting was Barbara Lyddane who is knitting a Christmas gift, as is Cecil Weatherfield. Debby Zorich is practicing hand sewing. The girls have planned a Christmas party including a gift exchange to be

"There is not much to talk about at parties until one or two couples depart."

held at the Weatherfield home today.

### WEATHER STATION

The United States Weather Bureau has reopened its recording weather station located at the rear of the Soda Springs Hotel. District Manager William Brown has appointed Donna Power to operate the post. The station which was established in 1887 and operated for the past 15 years by Art Coulard records daily maximum, minimum, and current temperatures. The amount of moisture in the snow is recorded along with the total snow depth and daily snow fall.

### TEACHER ILL

Doctor Kenneth Turner prescribed bed rest for principal of the Donner Trail school on Tuesday. Mr. Simmons was replaced by Mrs. Jean Manetta of the Donner Lake Area.

### CHRISTMAS VACATION

The students of the Donner Trail School are anxiously anticipating the coming of their Christmas vacation which begins December 19 and will continue January 5, 1959.

### SNOW QUEEN OPENS

The Snow Queen Coffee Shop opened December 13 in the newly decorated octagonal building in Soda Springs. Owners Ilse and R. Bisson have labored long and hard hours to complete the painting and finishing which now creates the warm and cozy atmosphere.

### PROMINENT VISITORS

Congressman-elect "Bizz" Johnson has recently spent time visiting at the Central Sierra Snow Laboratory. Johnson and his party were guided through the installation and acquainted with the problems and plans of the laboratory.

### LYDDANES MOVE

Mr. and Mrs. Vince Lyddane of Soda Springs have moved to the Misener cabin near Pratt's Garage. They have made the move to vacate their own home which has been rented to the Palo Alto Ski Club.

### VACATION PLANNED

Mr. and Mrs. James Cross and two sons plan to leave soon to drive to Drew, Mississippi, where they expect to spend the Christmas holidays. The family will spend time with Mr. and Mrs. Ernest Bishop parents of Mrs. Cross whom she has not seen for six years. The trip is planned to take three weeks. Time will also be spent visiting friends in Texas.

### SKI LIFT

The Pla-Vada ski lift located below Kingvale has announced that it will not operate this year. The highway construction going on in front of the lift area has taken up the parking area. Next year operators expect to have a complete new parking area constructed.

### SKI INSTRUCTOR ARRIVES

Junior Bounous who is to head the ski school at Sugar Bowl area this winter has arrived in the area. We welcome both he and his wife.

### WEEK-END GUESTS

Mr. and Mrs. James Simmons of Soda Springs welcomed guests Ed. Subbera, John and Delores Clark all of Berkeley. The Clarks had with them their 22 month old daughter, Susie. Ed Subbera is a recent graduate of the California State Highway Patrol Academy at Sacramento, and plans soon to patrol the highways from El Centro.

President Coolidge's message to Congress was broadcast by six radio stations in late 1923

To California

...a glass of beer is many things

Californians are proud of the San Joaquin Valley's contribution to their economy, proud that it "belongs" in their state. Beer belongs, too—not only as light refreshment but as an important factor in the economy.

Last year alone the Brewing Industry purchased virtually 100% of California-produced hops, over 1/2 of the barley crop.

And to the nearly 8,000 Californians in the Brewing Industry a glass of beer has an added significance. It means a good livelihood.

## NORTH TAHOE

By JUDGE HARRY CHARRISON

## WEATHER

The weather has been beautiful with most gorgeous colors at sunset and has been the same for the past several months and no signs of any stormy weather. Every day we see fishermen out in their boats and some have had nice catches of trout. It is nice for everyone except the ski resorts.

## WEDDING

A quiet but very pretty wedding was held at the judge's home in Kings Beach last Saturday, when two people from far off lands took the marriage vows. The bridegroom was Sahar Kahn who took as his bride Lucia Cervantez. The parents were from Pakistan. The honeymoon was not divulged. Six friends attended the wedding.

## LIONS CLUB

The Christmas party of the Lions

and their ladies was a great success with around 70 attending. It was held at the North Tahoe Utility District plant.

## TO WOODLAND

Pearl and Bob Moore went to Woodland for a few days to visit Bob's parents. It was a pre-Christmas visit. Their little five year old daughter went with them.

## CHRISTMAS VISIT

Grace and Paul McMillen with their little ten year old daughter, Barbara Jean, are leaving for Los Angeles to spend the holidays with relatives and friends.

## BACK HOME

Doctor Allen Sklar has been in San Francisco for the past week but is back and resumed his practice.

## TO ALHAMBRA

Mrs. Mildred Matthias, realtor in Carnelian Bay has left for Alhambra in southern California, where she will spend a few months with her daughter and family, however she says it is hard to pull herself away from this beautiful lake.

## FORMER RESIDENTS

Do you remember Mr. and Mrs. Richard Boyce? 'Dick' is a contractor and they built a home at Tahoe Vista some years ago next to the Laverys'. Mrs. Boyce is a music teacher. They have two children, pretty well grown up now of course. They were up from Los Altos Hills where they have a

beautiful home, for the week end staying at Dick and Ruth's. We were certainly happy to see them again after so many years and hope they will come back again often. Mr. and Mrs. Charlie Wearn of Sacramento were also guests of the Laverys'. They love the lake and are frequent visitors.

## CHRISTMAS TREE

The Christmas tree for the children of the community will be held on Saturday December 20th at 1 p.m. It is expected that four hundred children will attend. Candy and presents will be given by Santa Claus. To be held on the Golf Course where there is a beautiful big lighted pine tree.

## MOVIE MADE

A movie was made at Squaw Valley recently—the name "Have Gun Will Travel". Joe Degregorio who is employed at Squaw Valley took his nine year old daughter over to meet the famous TV star 'Richard Boone'. Little Martha personally promoted a visit for the 4th and 5th, 6th, and 7th grades of Kings Beach school to meet Richard and see the motion picture set last Friday. We are sorry to hear that the star 'Mr. Boone' was unable to meet the children as he had the misfortune to run a 14 inch splinter into his foot, but hear he is coming along nicely. The children certainly enjoyed the visit, thanks to Little Martha.

## VISITORS

Mr. and Mrs. Lillibird were up for the week end from San Rafael to check over their home on Brasse Avenue. They couldn't get over the weather and thought there would be lots of snow.

## FIRE DEPARTMENT

At a recent meeting of the board of commissioners of the North Tahoe Fire District papers were signed which formally turned over all existing fire equipment and property of the original fire control corporation in the Kings Beach area to the new fire protection district, a public district. This fire equipment and property will make a fine nucleus for our excellent volunteer fire department to work with. The district of course assumes all responsibility for payment of indebtedness remaining on the equipment and also for its keep. The district wishes to thank the original fire control board for their many fine services to the community in fire fighting prevention.

BUY LOCALLY FOR CHRISTMAS

"GRAND AWARD WINNER, 14TH AAA TRAFFIC SAFETY POSTER CONTEST"

## NEVADA COUNTY TO SHARE FOREST FUND

SACRAMENTO—Robert C. Kirkwood, state controller, today announced that Nevada County's share of \$2,950,592 in U. S. forest reserve receipts for fiscal year 1957-58 is \$ 41,308.99. Placer County receives \$77,675.29 and Sierra County, \$ 102,332.48.

Apportioned among the 39 California counties U. S. forest reserve areas, the total \$2,950,592 represents 25 percent of the total forest reserve revenues received by the federal government in California during the fiscal year ended June 30, 1958. The current apportionment is down \$1,042,127, or 26.10 percent, from the amount distributed last year.

The state controller said that under state law one-half of the amount apportioned to each county is deposited in its unappropriated elementary school fund and one-half in its road improvement fund.

The less populous counties of the state receive more money from this apportionment than those containing large metropolitan areas. The 10 counties having the smallest population will receive 26.65 percent of the total apportionment.

The five counties receiving the largest payments are: Siskiyou, \$532,909; Plumas, \$393,320; Modoc, \$200,110; Trinity, \$198,941; and Lassen, \$193, 893.

## TAHOE TRUCKEE SCHOOL NEWS

### TRUCKEE ELEMENTARY

**KINDERGARTEN:** Our class is looking forward to the Christmas party which is being arranged by our room-mother, Mrs. W. N. Baker. We did not like telling Scott Burns goodbye this week. He is moving to Grass Valley with his parents, Mr. and Mrs. Chester Burns.

We have Mickey Smisek to thank for our beautiful Christmas tree.

**SECOND GRADE:** The second grade is making preparations for their Christmas party. The children have exchanged names and Curt Wurst is bringing a tree. The room-mothers have planned delicious refreshments.

We have 19 perfect spelling papers: Elaine Barnes, Mary Lou Randall, Joe Merica, Curt Mullis, Jeffery Fellin, Kathy Stowe, Clau-

dia Rhodes, Bruce Leamon, Yvonne Johnson, Anna Maria Collier, Sandra Eckerman, Brian Smart, Elizabeth Richards, Monte Neugebauer, George Franceschini, Terry Higgins, Curt Melugin, Sandra Davis, and Tammy Richards.

**THIRD GRADE:** Third graders making outstanding scores in their first test of "carrying" and "borrowing" were Rod Farley, Bill Rose, Linda Russell, Pam Horman, Elgin Johnston, Karel Sauby, and Jill Wurst.

We sent letters to Ken Hensley, who has been in the hospital, wishing him a speedy recovery.

Some very fine written reports are being made by our fourth graders about various dams and water projects in California. Sue Olano is reporting on the Central Valley project, and Dana Scanlon, on Shasta Dam. Jack Melugin's report is about the Owens River and Cheri Comola's will be about Pardee Dam.

**FOURTH GRADE:** The following class officers were elected for December and January: Tim McLane,

chairman; Darlene Doolittle, co-chairman; and Billy Waters, secretary.

Outstanding grades in spelling were achieved by Gail Englehart, Beverly Hollerman, and Craig Mullis. Special mention also going to Johnny Hait for his great improvement in the subject.

Garee Lynn Stewart showed the class a very cute Eskimo doll.

**FIFTH GRADE:** Larry Digesti joins Barbara Curtis, Candy Hamilton, Betty Saarni, Goldie Anfield, Diane Pankoke, Anne Morey, Ricky Ralphs, and John Sturcke as the top spellers in the class.

**SIXTH GRADE:** The following students received 100 per cent in the long division test today: Eddie King, David Sorani, Judy McGinn, Marcia Leamon, Tony Kenyon, and Gloria Boyer.

The boys are enjoying their noontime basketball games and we are very fortunate that the weather is so nice and that we can be outside.

### KINGS BEACH SCHOOL

December 29th at 7 p.m., is the date you must keep in mind. Kings Beach School auditorium is the place you must remember. Huckleberry Finn is the movie that will be shown on the above date at our school. Please remember the admission is only a quarter for children of all ages, and a half dollar for each adult. We hope to get an enormous turnout for this movie, since it is the only entertainment supplied by the school during Christmas vacation.

**SECOND GRADE:** Tommy Gregg brought his collection of pre-historic animals to school. They are made of plastic and are quite large.

We want to thank Mr. Walt Manderville for donating such a beautiful silver-tip fir tree to our classroom. Mr. Otis Wing made the stand for our tree. We thank him, also.

Karen Malley brought two excellent science books for reference use for our science study of pre-historic animals.

**THIRD GRADE:** Rulers and yardsticks are the "rule" in our arithmetic this week and we have

## THAT'S A FACT

**EARLY BIRD MAN**  
THIS OLD ENGRAVING SHOWS MAN'S SUCCESSFUL ATTEMPT TO FLY IN THE EARLY PART OF THE 18TH CENTURY. THE INVENTOR OF THIS DEVICE WAS AN ITALIAN, JOHN DANTE. AFTER SEVERAL FLIGHTS, HE DID FALL ON A CHURCH STEEPLE AND BREAK HIS THIGH!

**DOUBLE HARNESS**  
WHEN YOU BUY U.S. SAVINGS BONDS, YOU ARE WORKING ALONGSIDE YOUR GOVERNMENT TO HELP STRENGTHEN AMERICA'S PEACE POWER. START TODAY. PLAN TO HELP YOUR OWN AND YOUR COUNTRY'S FUTURE.

**LAND BECOMES SEA!**  
DEFENDING THEIR COUNTRY AGAINST THE SPANISH INVADERS, THE DUTCH NAVY FLOODED THE CITY OF LEYDEN, SAILED IN AND FOUGHT THE ENEMY AMONGST THE ROOFTOPS AND TREES OF THE BESIEGED CITY!

**GET IN STEP---**  
WITH OTHER PATRIOTIC AMERICANS WHO ARE INVESTING IN U.S. SAVINGS BONDS! PEACE COSTS MONEY, AND YOUR BOND PURCHASES HELP SECURE AMERICA'S PEACEFUL FUTURE AS WELL AS YOUR OWN!

measured everything in sight. Gregory Pope and Bobby Brandt are the tallest in the class and Dyanne Lausche resigns as the smallest.

**SIXTH GRADE:** We have been working on our Christmas tree decorations. Robert Axelson furnished our tree. We divided into groups and each group is making different decorations. The chairmen are: Holly Shaw, Dennis Clinton, Nancy Bervid, Lisa Davis, Donnie Bury, and Bob Holley.

Marie Wainscoat, Carol Bruce, and Susan Knapp made our Christmas bulletin board very attractive.

The three girls also decorated our classroom windows.

The new officers of our class club are: Jon Hill, president; Tom North, vice-president; Art Waddell, secretary and Ronnie Baker sergeant-at-arms.

**SEVENTH GRADE:** Sandra Riggs reports: The seventh grade had a test on Units III in World Ways, our social studies book. The "A's" were Kathy Ploof and Greg Thompson. The "B's" were Garen Lee Critchley, Richard Krips, Kim Molsberry, Sandra Riggs, and Brad Thompson.

For the Christmas program our

room is going to act our religious holidays. The chairmen of the committees are: Hebrew religion, Betty Christensen; The Moham-medan, Kim Molsberry, Voodooism, George Day; Hinduism, Ricky Krips, Buddhism, Sandra Snyder and Confucianism, Lee Heise.

Karen Critchley reports: On December 8th we elected officers and monitors. We elect class officers every six weeks and monitors about every two weeks. They are as follows: president, Bob Holley; vice-president, Jimmy Hilgesen; secretary, Kathy Ploof; treasurer, Ricky Krips; class librarian, Sandra Snyder and Charles Groom; chalk board, Karen Henry; assistant, Mike Knittel; record player, Sandra Riggs; bulletin board, Kim Molsberry; Madelyn Kammerer, Roger Peters, and Bill Bate; ball monitor, Lee Heise, and Madelyn Kammerer; paper monitor, Greg Thompson, and Brad Thompson; row I, Greg Thompson; II, Kim Molsberry; III, Mary Anne Spitsen; IV, Pamela McCarthy; V, Roger Peters; and VI, Mike Knittel.

### TAHOE LAKE SCHOOL

**KINDERGARTEN:** Block building was the high light in kindergarten this week when those working with the building blocks did especially well. Billy Moyer, Gay Wuthmann, Julie Howard, and Deborah Fitts made the manger scene. The boys working with the large hollow blocks, Steven Cross, Brian Shaw, David Thompson, and Carl Ruhkala constructed a ship and were sailing an imaginary sea.

Randy Sprague celebrated his 6th birthday with his class mates December 10th. Gingerbread was served with the mid-morning milk.

**FIRST GRADE:** Star students this week were: Jackie Marier Marvin Banta, Mark Davis, Marta Morris, Dick Michener, James Dastrup, Karla Meixner, and Sandy Poulsen who all received stars for perfect scores on reading vocabulary test. In the other reading group the following students made perfect scores on their work books: Sands Hall, Nancy Beavers, Christina Kehn, Lisa Beckman, Carl Larson, Colleen Howard, Laura Hoxsie, Melinda Bechdolt, Sally Starratt,

Debra Stark.

**SECOND GRADE:** David Summers and Heidi Hendrikson were chosen as new honor students to be added to the chart which now brags of nine participants.

**THIRD GRADE:** The pupils who are working very hard to improve their writing are: Mike Burmer, Breezie Cross, Tommy Hoff, Mike Keechler, Bill Rabska, Anna Marie Connors.

**FOURTH GRADE:** Darlinda Stark became our "spell-down" and "multiplication" champ for the week. "Outstanding grades in spelling during the week were received by: Chris Beavers, Jimmy Bechdolt, Jon Caulkett, Tad Hall, Paul Sullivan, Buddy Weber, Kathy Barrett, Lynn Harper, Kathleen Norton, and Darlinda Stark.. The following children received 100's in the weekly spelling lesson: Tommy Barr, Barry Bradley, Dick Pomin, Danny Sprague, Bill Cox, Rae Lee Grahm, Rosemary Wray, and Georganne Luffy.

Chris Beavers, Jon Caulkett, Tad Hall, Paul Sullivan, Kathy Barrett, and Lynn Harper received perfect scores in the weekly Social Study test.

**FIFTH GRADE:** This week we had election of class officers. Alice Calhoun was elected president, Tommy Ruhkala was elected vice-president and Julianne Bechdolt was elected treasurer.

Those members of the fifth grade who received a "A" in spelling this week were: John Handy, Cathy Connors, Julianne Bechdolt, Karen McBride, Judy Ingram, Kristen Meixner, Wayne Johnson, Jeff McLane, Jerry Jorgensen, Stephen Rogers, Tommy Ruhkala, Joyce Anderson, Alice Calhoun, Stephanie Snyder, Kenneth Kimball, Joan Palmer, Benny Keechler, Warren, Alex Cushing, and Jeff Lodi.

### TAHOE WEATHER

TAHOE CITY—Cool dry weather continues to feature the weather picture at Tahoe as the thermometer has ranged from 23 to 51 during the past week. With seven gates partly open, the level of the lake Monday was 6227.30 (provisional and subject to revision).

'BEST FOR LESS'

## STRICTLY STRICKLAND

By Bill Strickland

Talked to John Richards in Truckee a few days ago. He had just received a letter from Jack Woodard, former owner of the Donner Ski Ranch. Jack was asking about Ralph Rowton of Soda and Brant Chaplain, former owner of Soda Springs Hotel. Come to think of it, I haven't heard of the Brants whereabouts in almost a year. Jack also stated that son, Straun, has a terrifically high scholastic school record, and had an

excellent chance of one of the college scholarships. Jack's address, in case you'd care to write him, is: Arrowhead Road, Wilton, Conn.

The Nevada Olympic Commission will hold a meeting Saturday, December 20, in the First National Bank Building, in Reno at 3 p.m. It will be an open meeting and promises to furnish quite a few fireworks. Everyone is trying to get into the act. One group went so far as to ask for \$50,000 to build a monument with the Olympics as its motif. Fifty thousand for a stone monument. Boy, that would be some contribution. Bob King, head of the organizing committee was asked at the state chamber of commerce meeting, why Nevada was contributing such a small amount (\$200,000), while California was supplying \$8,000,000? I liked his answer, Nevada's contribution on a per capita basis far exceeded California's. And that contribution to an event being put on by California. Reno, of course, will be a hub during the games, but the rest of Nevada will benefit in a proportionate way. So, if the per capita basis were considered for Reno and adjacent area alone, Nevada's \$200,000 would exceed California's contribution many a times. We would like to see a portion allocated for the staging of some of the preliminary meets, but believe the N.O.C. is justified in using their funds as they choose.

Heavenly Valley's 4400-foot Heron double chair lift will operate on weekends, snow or not, to accommodate sightseers. Standing at the top of the lift, visitors can see

all of Lake Tahoe surrounded by the Sierra Nevada mountains.

Expanded facilities at Heavenly Valley include four rope tows, the newest one established on a gentle slope to accommodate the beginners. "Even the tiny tots will enjoy the nice, easy slope," Chris Kuraisa said.

Eric Sailer, a cousin of Olympic Champion Toni Sailer, has been named ski school director. His principal assistants will be two fellow Europeans, Erich Greimeister and Otmar Setzer.

The lack of snow is causing quite a bit of concern for ski lift and resort operators. I don't know what the cycle is, but I do recall a comparable situation in 1938 and 1939. In 1939 we were able to drive into the Sugar Bowl until around January 5. The only skiable snow was in the small bowl at the top of the lift on Disney. It was used, but good, by everyone, and by New Years had been moved as much as 25 or 30 feet down the slope. The temperature remained below freezing, so none was lost by melting. But it had certainly changed locale.

Those operators that have maintained their slopes will be able to run on a minimum snowfall. But those who have not had that foresight may lose several prosperous opportunities as a result.

Reno's Slide Mountain and Ski Bowl will once again be managed by Warren Hart.

Just received an item from Larry Marks, regional chairman of Sacramento, and the National Ski Patrol. In it he offers a word of caution regarding so-called "safety" bindings. "All of our statistics point to an overwhelming switch to the release binding. Note that we call it a 'release binding', it is not a 'safety binding'... although that is the phrase commonly used. It will not guarantee you freedom from injury as the name might imply.

Remember that when you purchase a release-type binding from a reliable ski shop, it is impossible for the ski mechanic to adjust it to the exact way you ski. It is recommended by the pa-

tronic system that persons with release-type bindings follow at least these three rules.

1. Have your bindings installed by a reliable ski shop mechanic.
2. Make final adjustments on the ski slope until you are sure you will release when you have a severe fall.
3. Test your equipment before each period of skiing."

We have only one more thing to add. Skiing at high speeds with a binding that will release under pressure and allow the ski to come off, is, to us, like driving a car with loose lug bolts that would, under pressure, allow the wheel to come off. And, that to my way of thinking, could cause catastrophic results.

The training camp for Nordic competition for 1960's Olympic Team, representatives will be held at Heavenly Valley from December 25th, 1958 thru January 4, 1959. Two races will be conducted besides the 10 day training and coaching period.

The Auburn Ski Club will sponsor a qualifying meet in January as will Reno. These, of course, will be followed by the North Americans at Squaw Valley in February.

"Slim Davis of the Forest Service has told us of another area that is being considered as a winter development. Much interest is being focused on the 'Back Side' of the Sierra. Due primarily to Mammoth Mountain's fabulous success. Interest has been evinced in Onion Valley in Southern Inyo County—that area borders on a wilderness though so does not, at the present time, have too bright an outlook. Further north though, in an already partially developed area, real serious consideration is being given to an all year development. That area is June Lake and Carson Peak. We remember competing there prior to World War II and if our age hasn't dulled our memory, it affords a lulu of a mountain and development opportunity, and, with an air strip would be less than 1½ hours from the bay area and coastal points—even less from the valley.

The Nordic events will have a training camp at Heavenly Valley, Lake Tahoe, from December 26, 1959. Two competitive meets will be held during the training period plus the Cross Country race and Jumping events held annually at the Auburn Ski Club grounds at Cisco. A third meet, date to be announced, will be hosted by the Reno Ski Club and held on Slide Mountain and the Mount Rose Bowl. This meet will probably be held the last week-end in January to coincide with the final Alpine event.

More on the exact dates and places of the Nordic Events next time around.

"Cheer up," they said, "things could be worse". So I cheered up

and, sure, enough, things got worse.

I like the one from the Dodge Ridge publication, too. Down I skied, lithe and graceful. Crossed my skis, and got aface full.

After announcement of the discovery of gold in Sutter's mill race on the American River, all but

seven of San Francisco's 900 inhabitants left for "the diggings."

A postal treaty between the United States and England in October, 1908 provided for two-cent rate for letters.

Mt. Aconcagua in the Andes, 23,035 feet, is the highest elevation in South America.

## DRINKING DRIVERS TO BE TARGET OF CHP

Drinking drivers will receive special attention during the December holidays according to plans revealed today of alcoholic beverage control.

Patrol Commissioner B. R. Caldwell and ABC Director Russell S. Munro, joining in a two-pronged attack on the drinking driver problem, promised professional enforcement action against all violators.

"Our Cooperative enforcement efforts have brought favorable re-

sults in the past," Munro declared. "Our agents will again work closely with the patrol in a determined campaign to control the excessive drinking situation on and off the highways."

"We are asking all military and local police agencies to join us in this effort during the holidays and we are looking forward to a broader and more effective program," Caldwell said. "We are also conducting an extensive public information program which we hope will reach every user of our streets and highways between now and Christmas Eve."

## YOUNG, OLD BLAMED FOR MOST MISHAPS

The very young and the senior citizen are the most frequent victims of pedestrian accidents, according to Sergeant F. H. Snyder, officer-in-charge of the California Highway Patrol's Truckee sub station.

"The very young constitute some 21.4 per cent of California's population, but they total 40.6 per cent of the pedestrians who are killed or injured on our streets and highways," Snyder continued. "At the other end of the scale, the senior citizens make up about 8.2 per cent of our population and 12.5 per cent of the pedestrian accident victims."

The California Highway Patrol official noted that nearly half of all pedestrians killed or injured

are committing unsafe traffic actions when hit. The most dangerous of these unsafe actions is crossing a street illegally, which accounts for 80.6 per cent of the non-fatal pedestrian accidents.

As might be expected, by far the greatest ratio of "unsafe action" accidents involve children up to nine years old, Snyder said. The senior group, 65 years and older, are relatively careful but lack the speed of activity needed to remain safe.

"During this especially dangerous period of early nightfall, many lives can be saved if motorist and pedestrian alike will exert an extra measure of carefulness," Sergeant Snyder concluded.

The national capital in Washington, D. C., was reoccupied five years after the British burned it in 1814.

NEW SKI GROUP TO HOLD FIRST MEET

AUBURN—The new California-Nevada Interscholastic Ski Federation will hold its first championship meet at Tunnel Mountain near Cisco Grove, Placer County February 13th through 15th.

Placer Union High School Coach Paul Sherbinda said six events are scheduled, four for boys and two for girls. A skimeister championship and combined championship in Nordic and Alpine events also are on top.

The organization is composed of high schools in Sparks and Reno, Nevada, Placer Union in Auburn, El Dorado in Placerville, South Tahoe, Leavening and Tahoe Truckee.

**CARD OF THANKS**

We are deeply grateful for the delicious Thanksgiving dinner prepared and given us by members of the Tahoe Women's Club and to other friends of the community who have been so helpful and kind during the long illness of Mrs. Goss.

Mr. and Mrs. Sam Goss

**CARD OF THANKS**

Hope Assembly, Order of the Rainbow for Girls, would like to thank the following stores: The Wonder, Lanz, Howay's, Grey Reids, and the Wedding Shop of Reno. Besios, and Cabona's of Truckee and the Village Store and Hudson House of Lake Tahoe. Thanks to those stores—our Fashion show and luncheon was a big success.

**CARD OF THANKS**

I wish to take this means of expressing my gratitude and appreciation for the beautiful flowers, cards, candy and gifts sent to me during my stay at St. Mary's hospital in Reno. Thank you kind friends.

Mrs. A. Ghirard

**CARD OF THANKS**

We want to thank our friends for the beautiful flowers and cards sent after the loss of our beloved son and brother.

Mrs. Victor Cozzalio  
Mrs. A. R. Ghirard

RED CROSS WORK AT GAMES IS OUTLINED

TAHOE CITY—Marie Henry was called to Auburn two weeks ago for a conference with American Red Cross Chairman Cam Romage and Executive Secretary Helen Ketrin to discuss the work of the organization during the Olympic Winter Games.

Mrs. Henry said people who live in the Lake Tahoe area will be given first choice and that approximately 30 volunteers, men and women will be needed with an equal number from the balance of Placer County.

There will be need for first aiders, nurses aides, grey ladies, staff aids, motor pool and drivers and there will be a call for two station wagons to be equipped as ambulances.

Radio and telephone operators will be required and a sufficient number of volunteers should be on call to provide four working shifts so that no one will be tied down at work and unable to attend the events, Mrs. Henry said.

Mrs. Henry said quarters are being sought near the games site for a headquarters and kitchen for approximately 30 people.

All volunteers will require special training. It is planned to house the Placer County Sheriff's Department of approximately 50 deputies at the Tahoe Lake school and the California Highway Patrol will utilize the high school at Truckee where 100 officers will be housed. There will be no classes during the game period.

"We have a tremendous duty and obligation to our community which will require the combined efforts of all if we are to make the games a local success," Mrs. Henry declared. "We must work as individuals and not leave the job to others."

FIRST CAROL WILL BE OFFERED BY GROUP

"The First Christmas Carol" will be presented Sunday, December 21 at 7:30 by those who are attending the Truckee Bible Church Sunday School, Teen-time on KYB (Know Your Bible) Club.

The play will be directed by Mr. and Mrs. Melvin Moore, assisted by Mrs. Roy S. Rhoades. All are invited to attend and enjoy the music and message given by the young people. After the program each child will receive Christmas favors from under the tree.

The cast will be made up of the following: Jo Lee Smith, Robert Williams, Allen Young, Jim Grady, Candy Boyer, Darlene Boyer, Sandy Davis, Darlene Dykstra, Sandy Ferdinand, Debbie Martin, Carol Sauby, Candy Hamilton, Marcia Leamon, Joyce Randall, Connie Rhoades, Linda Russell, Kathy Bralley, Gail Englehart, Mary Lou Randall, Lorraine Davis, Shirley Davis, Gail Ferdinand, Terry Higgins, Bruce Leamon, Claudia Rhoades, Mike Davis, Steve Davis, Richard Martin, Dusty Rhodes, Randy Russell and Gary Waters.

P. Zydner left for Bakersfield this week, planning to divide the winter between here and the south

MISS ELLA PAULEY WEDS TOM DOLLEY AT CEREMONY HERE

Miss Ella May Pauley became the bride of Thomas Fred Dolley at a double ring ceremony performed by Rev. John Taylor Saturday evening, in the Church of the Mountaintains at Truckee.

The bride chose a lovely white lace gown and veil, carrying a white bouquet during the religious rites. Her maid of honor was Miss Shirley Ann Pauley and the bride's maids were the Misses Betty Pauley, and Lorraine Dale. Their gowns were in a light shade of blue.

Junior Lee Pauley, brother of the bride gave her in marriage and the best man was Ray Brown. Stanley Rasmussen and Aaron Thomas served as ushers.

The little flower girl was Tina Salomon and the ring bearer, Billy Pauley.

Mrs. Esther Pauley, mother of the bride chose a gown of blue net, with blending accessories and Mrs. N. F. Dolley completed her beige net dress with harmonizing accessories.

Following the nuptial service a reception was held at the home of Mr. and Mrs. N. F. Dolley, attended by friends and relatives prior to the departure of the young couple on a honeymoon. The newly weds who are well known here, will return to establish their home.

Mr. and Mrs. Fred Riley of Escalon and Mr. and Mrs. Fred Dolley of Santa Cruz, grandparents of Mr. and Mrs. Dolley, were here for the event.

Board Will Meet

The board of directors of the Tahoe Forest Hospital will hold their regular monthly meeting at the hospital on the first Friday of each month at 7:30 p.m. beginning January 1, 1959, administrator J. J. McGlade said.

**Leave Truckee—**

Leaving Truckee recently were Mr. and Mrs. H. E. Causey whose address is Blyth; Mr. and Mrs. John Reedy who are spending part of the winter at Kernville and the Frank Borden family who have an Applegate address.

NOTICE OF TRUSTEE'S SALE NO. 19781

On Thursday the 8th day of January, 1959, at 11:00 o'clock a.m., of said day at the main entrance of the County Court House, Nevada County, Nevada, State of California, the undersigned, Inter-County Title Co., a corporation, as trustee, will sell at public auction to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Nevada, State of California, and described as follows, to-wit:

PARCEL NO. 1: All that portion of the Southwest quarter of the Northwest quarter (SW 1/4 of NW 1/4) of Section Twenty-three (23), Township Seventeen (17) North, of Range Fourteen (14) East, Mount Diablo Base and Meridian, described as follows, to-wit:

Beginning at a one inch pipe set in ground, from which point the quarter section corner between Sections 22 and 23, Township 17 North, of Range 14 East, M. D. B. & M., bears South 35° 27' West 247.26 feet distant; thence North 83° 50' East 10 feet to the Southeast corner of the lot herein described; thence North 6° 10' West 100 feet to the Northeast corner; thence South 83° 50' West 60 feet to the Northwest corner; thence South 6° 10' East 100 feet to the Southwest corner; thence North 83° 50' East 50 feet to the place of beginning.

PARCEL NO. 2: All that portion of the Southwest quarter of the Northwest quarter (SW 1/4 of NW 1/4) of Section 23, in Township 17 North, of Range 14 East, Mount Diablo Base and Meridian, described as follows, to-wit:

Beginning at a point which bears North 83° 50' East a distance of 83.6 feet from a point on the section line North 283.9 feet from the quarter section corner common to Sections 22 and 23, Township 17 North, of Range 14 East, M. D. B. & M., thence North 6° 10' West a distance of 35 feet; thence North 84° 29' East a distance of 36 feet; thence South 86° 51' East a distance of 24.3 feet; thence South 6° 10' East a distance of 30.8 feet; thence South 83° 50' West a distance of 60 feet to the point of beginning and containing .05 acres, more or less.

Said sale will be made without covenant or warranty regarding title, possession or encumbrance, to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Charles H. Reynolds, to Inter-County Title Co., a corporation, trustee of Louis W. Niggman, dated November 14, 1955, recorded December 15, 1955, in the office of the County Recorder of the County of Nevada, California, in Book "215" of Official Records at page 555.

CHURCH PREPARES TO SERVE DINNER HERE

Friday the 19th will be the occasion of a Christmas banquet to which all are invited to partake of the turkey dinner, special musical entertainment and speaker, Rev. Keith E. Ward of Sacramento. Festivities for the evening will begin at 6:30 p.m. at the church building. There will be Christmas music by Misses Steffie Firpo, Virginia Fudge, Rene Hall and Messrs. George Decker and Don Douglas, accompanied by Mrs. Ross Price.

Mrs. Westley Boyer is in charge of decorations and a special floral arrangement is to be furnished by the Donner Florist and Gift Shop. No offering will be taken. Your hosts, the Truckee Bible Church, would appreciate a call for reservation to Luther 7-3716, if you plan to attend.

LOCAL ROAD WORK STOPPED FOR WINTER

The division of highways announced that work has been suspended for the winter on the section of freeway under construction on Highway U.S. 40 from the east end of Donner Lake to Boca. Work on the project is being done by Frederickson and Watson Construction Company and Ransome Company of Oakland under a \$7,621,000 contract.

Work on the freeway development was started late in January of this year and is currently approximately 51 percent completed. Highway officials say that they plan to have the roadway in service by the end of the next construction season.

The division of highways is represented on the project by resident Engineer William R. Green.

**TECHNICIAN**

Mrs. Rexine Schwenn, whose husband is on the teaching staff at the Tahoe Truckee High School, has been engaged as technician at the Tahoe Forest Hospital replacing Chester Burns who has left to accept a similar position at the new hospital in Grass Valley.

William A. Carver, former Truckee attorney, now at Sacramento, announces that he has moved his offices to the Odd Fellows building at 1025 Ninth street.

For the convenience of late shoppers The Donner Florist and Gift Shop of Gateway Park announced this week that they will be open until 7 p.m., starting tomorrow, December 19, until December 23.

Sunday, December 21, the attractive Christmas shopping store will be open from 10 o'clock in the morning until 2 p.m. that afternoon.

# Tarzan

by EDGAR RICE BURROUGHS

NEITHER ABYSSMAL ROCK WALLS, NOR CHALLENGING MOUNTAIN EAGLES, PREVENT TARZAN AND ITO FROM GAINING THE MYSTERIOUS MOUNTAIN'S SECRETS-- HIGH ABOVE THE STEAMING JUNGLE WORLD.

15,000 FEET ABOVE THE VILLAGE OF THE MEDICINE MEN, AND ITS PRIMEVAL FORESTS, TARZAN HOPES HE HAS GAINED TOTAL ISOLATION FROM CIVILIZATION AND ITS WARS.
